

FOOD DONATIONS FOR CHRISTMAS HAMPERS!

Once again the Service and Social Justice Committee is accepting food donations to go into Christmas Hampers for people in unfortunate situations. This year we hope to make up hampers for 25 needy families in Saskatoon. We will be supporting families from our own parish, Bishop Filevich School and through St. Mary's Roman Catholic Church (each year they make approximately 250 hampers for families living in inner city Saskatoon). This year we will be asking for certain items each week as this will make sorting items much easier! We will accept all food donations every week and the following is a list of priority items for collection. Thank you and God Bless!

Week Collecting	Priority Items
November 19 & 20, 2011	canned veggies canned cranberries canned fruit salad dressing
November 26 & 27, 2011	coffee tea hot chocolate juice
